

# Litchfield Wanderer

## 1 Day Litchfield Experience by ethical adventures

*“With ethical adventures you are not a tourist.  
You are our partner in fun, adventure and discovery.”*

Journey through ancient stone country seeking pristine creeks, water holes, and cascading waterfalls.

Learn the colourful regional history and acquire unique bush survival skills on the side.

Savour the flavours of a juicy slab of grilled Scotch fillet and homemade treats such as chocolate wattleseed biscuits and mango muffins.

Enjoy the comfort and personal touches that only a dedicated small group experience can provide.

If you are going to do the NT ...  
... do it right.

### Itinerary<sup>1&2</sup>

Our journey begins with a 7.30 am pickup from the front of your accommodation. First stop, Berry Springs.

### Berry Springs

Glide around and watch the many fish or sit casually under the waterfall for a gentle massage. Perhaps a walk along the creek track may be of interest. Choices !

### Batchelor

Characters, events and controversy which shaped the region and beyond are captured professionally at the Batchelor local community run museum. It also offers an exclusive dining experience in which to savour our wild BBQ lunch.

### Litchfield National Park

After lunch it is time for Litchfield National Park. Cascading waterfalls, secluded swimming spots, peaceful viewpoints. Ample opportunity also to go for a stroll along rainforest shaded creeks or just sit and relax.

### BROCHURE NOTES:

1. This tour is conducted in a region which can experience extreme unpredictable weather conditions from October to April and operates in areas that include indigenous people and culture. These aspects may influence the operation of this experience. We reserve the right to alter the itinerary or cancel the tour at any point prior to or during the tour subject to our cancellation policy. Please read our Terms & Conditions on our website prior to booking.
2. Berry Springs is typically closed for swimming from Dec to May. Should it be closed to swimming the itinerary will focus purely on Litchfield National Park and NOT visit Berry Springs or stop at Batchelor. More time will be spent in Litchfield and more sights and activities undertaken in the park instead. See 'Pure Litchfield' schedule of inclusions at [www.ethicaladventures.com.au/tours/litchfield-national-park-day-tour-litchfield](http://www.ethicaladventures.com.au/tours/litchfield-national-park-day-tour-litchfield).
3. This tour requires a minimum of 4 persons to run. Prices are valid until April 2022. AGE RESTRICTIONS - Children under 8 years of age are not suitable for this tour. Children over 8 accompanied by adult are permitted. FITNESS - Persons of moderate fitness and agility as evidenced by the ability to skip for 5 metres without having or thinking you will have a heart attack are suitable for this tour.

### COVID-19 Health & Hygiene

All participants **MUST** agree to ALL conditions and procedures included in ethical adventures COVID-19 Health & Hygiene Policy. This can be found in the **TERMS & CONDITIONS** profile at [www.ethicaladventures.com.au](http://www.ethicaladventures.com.au).
